

Samarth Electric

Powering India's Electrical Infrastructure Since 2000

ABOUT US

Samarth Electric has established itself as one of the leading licensed electrical contractors and engineering firms in Mumbai. Founded in 2000, Samarth Electric brings over 25 years of experience in contractor services, backed by a team of highly skilled professionals who are well-trained and vastly experienced.

Our organization is equipped with robust facilities, and we have made significant efforts towards quality management and the timely completion of projects. We have successfully executed numerous projects across both government and private sectors, including textile divisions, petrochemical companies, pharmaceutical companies, schools, commercial buildings, malls, IT parks, multi-storied residential towers, hotels, hospitals, and more.

Our expertise spans a wide range of services, such as internal electrification, external lighting services (street lights, high mast lights), substations, overhead HT/LT lines, and LV systems like PA systems, access control, CCTV systems, video phones, telephone and data systems, and fire detection alarm systems, among others.

A LEGACY OF ELECTRICAL EXPERTISE

Trusted for 20+ years in delivering engineered, high-quality electrical infrastructure across India. We leverage a unified EPC framework, combining in-house engineering, structured procurement, on-site execution, testing, and O&M for efficient project delivery.

Industry Expertise

Founded in 2000. A trusted and licensed Electrical EPC & Contracting company with over two decades of execution excellence.

Tailored Solutions

Providing customized, adaptable strategies designed to address specific client challenges

New Age Technology

Integrating modern LV systems, automation, and SCADA/PLC controls to enable smarter, more reliable electrical environments.

Proven Track Record

Proven track record in HT/LT infrastructure, LV systems, and turnkey electrification. Expertise in critical municipal, industrial, institutional & public utility projects

MEET THE TEAM

VINAY AGGARWAL

Managing Director

Bringing 35+ years of deep industry and engineering expertise, is the driving force behind Samarth Electric's technical excellence and execution leadership. He continues to shape Samarth Electric's strategic direction, guiding its evolution into a trusted infrastructure partner.

SHLOK AGGARWAL

Director - Operations

A dynamic new-age leadership charting the next chapter of Samarth Electric's evolution. Leads technical and modern operational strategy, strengthening the company's ability to deliver large-scale, high-performance infrastructure projects.

GANESH PANDEY

Head - Sales & Marketing

Driving business growth and market expansion while strengthening client relationships across key sectors. Spearheads initiatives that enhance the company's presence and commercial momentum.

NITIN KOYANDE

Head - Estimation & Procurement

Ensures accurate and competitive project costing while working closely with engineering and procurement teams. Drives high-quality proposals that strengthen the company's bidding capability and project success.

MEET THE TEAM

SHEKHAR KHILARE – Sr. Electrical Engineer

VIRENDRA PANDEY – Electrical Engineer

KAPILESH JADHAV – Electrical Engineer

VISHAL MAURYA – Electrical Engineer

MAHESH – Electrical Engineer

DRAFTING/ DESIGN

ABHISHEK WAGHMARE – Electrical Draftsman

KEY PRODUCTS & SERVICES

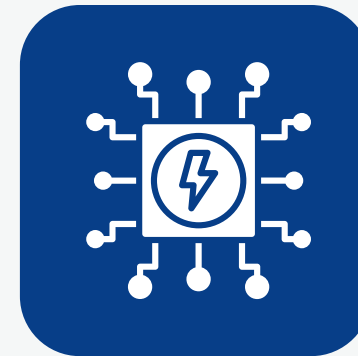

We are a trusted partner for complete MEP contracting services, combining engineering excellence with timely delivery across private and government projects.

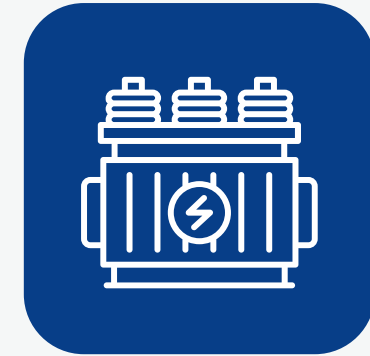

**Turnkey MEP
Projects**

**Preventive
Maintenance**

**Power System
Analysis**

**Manufacturing
Electrical Equipment**

KEY PRODUCTS & SERVICES

Turnkey MEP Projects

- Highrise Residential & Commercial Building
- Commercial – Offices, Store, Mall & Banks
- Fire Fighting & Fire Alarm
- CCTV,BMS & PA
- Area Lighting & Facade Lighting
- Electrical, fire fighting, Heating/ ventilation and air conditioning
- Building Automation/ELV & Communication Systems
- Tele Communication, CCTV, Building management Systems, Networking, Fire Detection Systems.

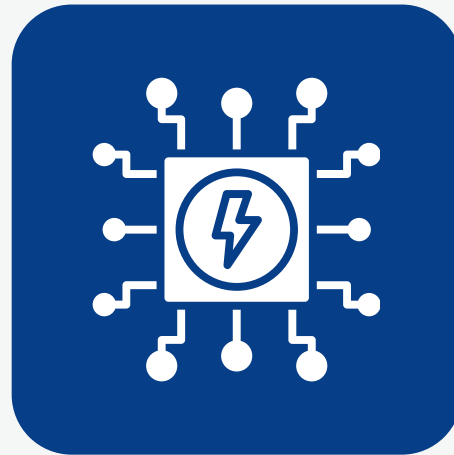

KEY PRODUCTS & SERVICES

Preventive Maintenance

- Annual Maintenance Contract of Street light, Residential Building & Non Residential Installation distribution.

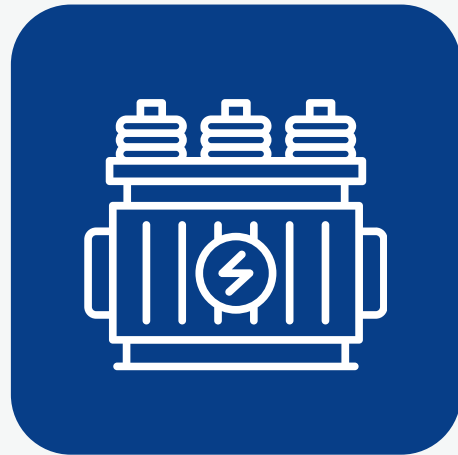

KEY PRODUCTS & SERVICES

**Power System
Analysis**

- 66/ 33KV Switchyard
- Transmission Lines
- U/G Cables upto 22KV
- Transformer Oil Filtration
- Cable Fault Location and repair

KEY PRODUCTS & SERVICES

**Manufacturing
Electrical Equipment**

- Electrical Control Panel Manufacturing
- Capacitor Manufacturing

WHY CHOOSE US?

Our commitment to excellence ensures that we consistently deliver outstanding results, helping businesses stay ahead of the competition.

End-to-End MEP Expertise

We deliver complete Mechanical, Electrical, Plumbing, Fire Safety, and Low-Voltage solutions under one roof, ensuring hassle-free project execution and seamless coordination.

Proven Track Record Across Sectors

From private high-rises and retail stores to government institutions and educational campuses, we've successfully executed diverse projects of varying scale and complexity.

Quality Without Compromise

We follow stringent QA/QC standards, certified testing practices, and high-grade materials to guarantee safe, durable, and long-lasting installations.

OUR CLIENTELE

OUR VISION FOR THE FUTURE

Modern, Growth-Focused

To become a leading MEP and electrical solutions provider known for engineering excellence, innovation, and reliable project delivery across India.

Technology + Capability Driven

To shape the future of building infrastructure through smart MEP systems, advanced electrical panels, and sustainable engineering practices.

Ambitious & Bold

To redefine industry benchmarks in MEP contracting and panel manufacturing by empowering teams, embracing technology, and delivering projects that inspire confidence.

LET'S WORK TOGETHER!
